button now, and let the adventure begin with "How to Play the Ukulele". The inspiration for this book arose from the lack of complete method books for the ukulele. The concept was to create a method for the ukulele that covers all aspects of playing it. From fingerstyle to strumming, music theory, and the development of a correct playing technique. Most ukulele methods are too easy, or too hard, move too slow, or too fast. I have tried to find a happy medium that presents all possible styles and techniques, and also moves at a pace that allows the player to reinforce the skill before moving on to the next one. It is my hope that this book will help to further the technique of the ukulele and broaden the possibilities of the instrument. The exercises and pieces in this book have come from over 20 years of experience teaching and playing the ukulele. *Created for Beginners* Learn Both Strumming and Fingerstyle *Contains All of the Basics: Reading Music Chords, Rhythm, Tuning and Care for Your Ukulele* Covers All Aspects of Playing the Ukulele *All Music is Written in Tablature and Standard Music Notation Learning to play the ukulele has never been easier! Ted & Wayne will walk you through everything you need to know to get started playing the ukulele. You will learn how to select the right uke, how to tune it, a variety of strums and how to play the melody and backup to 37 folk, swing, Hawaiian and gospel favorites. Includes easy-to-read tab, simple chord diagrams, and an instructional audio CD. The perfect starter set for ukulele! Everything you need to play the uke is included: a high-quality wood ukulele, the Total Ukulele method book with CD, and a pick. The Total Ukulele instructional book makes learning the uke easy and fun! It covers all important subjects for the beginning uke player including rhythm accompaniment, strumming patterns and techniques, fingerpicking techniques and melody playing. The music is presented in notation and tablature and is explained in easy-to-understand terms. Total Ukulele also covers the basics of music theory, chord exercises and many chord progressions. The companion CD features numerous exercises and eleven popular tunes to listen to or play along. The method book is written for the standard ukulele tuning in D (older tuning). The pitches of the strings are: A, D, F#, and B. Do you want to learn how to play the ukulele? Learn to play your first songs and tunes with this beginner's guide! This book is a great and entertaining way to share music with your family and lay the groundwork that will get you playing your favorite songs in no time. This book's information is intended to lay a solid foundation for individuals planning to start ukulele lessons. Read through and start your journey to becoming ukulele stardom. By the time you're done with this book, you'll already be playing your favorite songs on the uke. Click the Buy Now button to get started today! This is Book 1 in a four Book method that has a simple goal: to take you from a beginner with no knowledge of music or playing a musical instrument to an accomplished musician and brilliant ukulele player. Book 1 covers all the basics: chords in the key of C; strumming patterns; advanced strumming; and chord melody arrangements for the player who wants to develop into a solo performer. The book includes links to my Youtube channel where every lesson has an online video. In Book 1 you will find: - a structured course that takes you from basics through to advanced fingerpicking and strumming techniques - explanations of musical terms and exercises in reading music and tablature - music theory explained through the ukulele - a practical approach to improving your ear to finger connection so that you can play what you hear in your head and work out melodies and chords from radio, tv and online - a repertoire of both songs to sing and strum as well as chord melody arrangements (Rock House). Designed by John McCarthy, this complete ukulele course has all the essential techniques needed to play all genres of music. Start with how to hold the ukulele for comfortable playing and fast, effective learning. Next, learn picking and strumming techniques, chords, rhythm, timing, and how they are used to play popular songs. Learn melodies, scales and the basics of the blues. You will also learn lead techniques such as hammer-ons, pull-offs and bends, and how to put them together to play lead riffs! As an added bonus, included is an extensive chord and scale section to further your knowledge of the ukulele. Download audio backing tracks and demonstrations that correspond with each lesson in the book. Hear each lesson played slowly and at regular speed. Play songs and melodies over full band backing tracks to get the sensation of playing in a band! Register using the member number inside the last page of this book. The Rhythmic figures in a simple and progressive way, in order to decode and reproduce any strumming pattern. We apply note durations to strumming, arpeggio and finger-picking techniques. Practical tips and tricks. Progressive technical exercises. Suggested equalisations and uses of the instrument 10 examples of musical genres Ukelele Instruction Learn to play the ukulele with this beginner's guide that features information about basic techniques, tools, and music knowledge. What do George Clooney, Zooey Deschanel, Ryan Gosling and James Franco all have in common? Answer: they all play the ukulele and now, with this easy step-by-step guide, you can too! With just this book and your ukulele in hand, you'll learn basic music skills, how to care for your instrument, and how to play some simple tunes. Whether you're looking to impress your friends with spontaneous singalongs, or just want to strum solo, How to Play Ukulele is the perfect entryway to the wonderful world of ukulele. Practical tips and tricks. Basic, intermediate and advanced exercises. Suggested equalizations and uses of the instrument. FOR MP3 contact the author: info@danieledencs.it This book's aim is to present a way of approaching this fantastic instrument. It contains many exercises and numerous "tricks" discovered and refined during practical experience with music or while supporting construction of instruments with luthiers, but especially during the hours of music played together with ukulelists or other "normal" musicians! Daniele Vacca (Rome, Italy), born in 1978. He performs workshops about band and stage techniques music reading and writing, for schools and privately. In 2012 he founded the UKU BAND, composed only by ukulele players, in which he plays the BASSUKULELE. The band started an intense tour activity with more than 120 concerts per year. He continues the activity with UKUS IN FABULA, ukulele band that performs in national and international events (Australia, Israel, Latvia, Lithuania, Finland, Germany, Czech Republic, Austria, Scotland), TV broadcasts (RAI and SKY), internships and teaching. Do you play the ukulele and would like to improve your skills? Following the launch of UKULELE. THE COMPLETE MANUAL, this brand new book includes advanced level exercises and notions. The student is placed in front of new challenges, offering new technical and harmonic ideas through the subdivision of the three techniques of STRUMMING, FINGERPICKING AND ARPEGGIO; analysed from whole to sixteenth notes. IN THE BOOK: - 105 exercises, all with reference MP3s (with end-of-chapter exercises complete with arrangement with other instruments). - 20 score readings (with no TABs) to improve this skill on a ukulele Sie ist klein, handlich und unkompliziert. Wenn auch Sie dem Charme der Ukulele erlegen sind, ist dieses Buch genau das richtige für Sie. Alistair Wood zeigt Ihnen, wie Sie selbst ohne Vorkenntnisse schnell erste Stücke spielen, gibt aber auch fortgeschrittenen Spielern zahlreiche Tipps zur Verbesserung ihres Spiels. Sie lernen, wie Sie Ihrer Ukulele neben den typisch hawaiianischen Klängen auch rockige, jazzige oder bluesige Töne entlocken können, hier ist - vom AC/DC-Fan bis zum Klassik-Liebhaber - für jeden etwas dabei. Einfache Schritt-für-Schritt-Anleitungen und die beiliegende CD mit Hörbeispielen machen es einfacher denn je, die verschiedenen Techniken der Ukulele zu erlernen. Darüber hinaus erfahren Sie alles, was Sie sonst noch über das Instrument wissen müssen: vom Kauf bis zur richtigen Pflege. Musik soll Spaß machen - und der ist mit der Ukulele garantiert. Legen Sie los! With over 70 fiddle tunes arranged for Appalachian dulcimer, this book includes both common session tunes that everyone should know and a handful of obscure gems. The tunes include a representative collection of what people are playing in the current old-time music scene. The author has indicated the source of the tune when known, plus notes on achieving the proper feel and playing style. Although a few of the arrangements are real finger-twisters, most are well within the reach of the intermediate dulcimer player. Some tunes are written for old-time "noter" style playing, some are best fretted with your fingers. All of the arrangements include suggested chords for guitar or other instruments. One or two include lyrics; most do not. Old-time tunes tend to be played in fiddle-friendly keys like D, G, A (major and minor), and C. Although you can play in most of those keys out of DAD tuning, the music really comes alive when you re-tune and let those drones ring. Tunings include DAA, DAD, DGD, AAA and more. The author includes notes on how to re-tune your dulcimer, as well as alternative tunings for some of the tunes. The author says, "This book represents the fruits of over fifty years spent chasing down a good tune." Includes access to online audio of all of the tunes played on solo dulcimer. Perfect for beginning ukulelists as well as players who want to enhance their knowledge, this book and video teaches everything you need to know to get started on the ukulele, including chords, strumming, picking, basic music theory, and reading tablature (TAB) and standard music notation. Guitarists wanting to expand their musical horizons will also find this to be the perfect introduction to playing the ukulele. The book features lots of fun songs in a variety of styles, including rock, blues, Hawaiian, fiddle tunes, and fingerstyle. The companion video, on DVD and online, features friendly, easy-to-understand explanations and demonstrations by GRAMMY(R) Award-winning ukulelist Daniel Ho. With practice tips and other important advice for the beginning ukulelist, Beginning Ukulele is the most thorough method available for beginning ukulele students. TWO BESTSELLERS NOW AVAILABLE IN ONE COMPLETE VOLUME! Bringing together the ukulele beginners guides, 'What Ukulele Players Really Want To Know' and 'More Of What Ukulele Players Really Want To Know' in one handy volume. The Complete What Ukulele Players Really Want To Know! Over 50 detailed chapters aimed at advising new ukulele players on the things that most tutor books leave out, with everything from how to hold the uke, fingernail care, to basic theory and advice on practice regimes. Want advice on cases, on performing, on types of wood? Look no further. What about electronics, how to tune up, advice on strings - that's covered too. In fact, just about everything a new player will think about is in here. This is NOT a how to play book or a song book, but has been called an 'owners manual for new players' -an answer to all those niggling questions that will hit you when you first start playing. Barry recommends that his guides are read alongside traditional tuition (whether you are learning online, from books or with a teacher) as a means to supplement your all round knowledge of the uke! And don't worry! If you prefer one or other of the original books they are still available and always will be! This is a complete ukulele course for the beginner that is easy and fun to play. You will learn to play

accompaniments and chords to many popular folk songs including Little Brown Jug, When the Saints Go Marching In, Scarborough Fair, Greensleves and many more. This is Book 3 in a four book series providing "A complete Method for Playing the Ukulele". It is intended for the player who can already play a few chords and read TAB. However, it is also accessible to new players because, although it carries on from Books 1 and 2, it is in many ways a "standalone" book on a specific genre of music. In consequence, it begins easy before more challenging material is introduced. Even then, the "challenging" material can be worked at on many levels and doesn't exclude beginners. There are links to supporting online videos. In Book 3 you will find: * fingerpicking and chord melody arrangements of original blues compositions * 12 classic blues songs with fingerpicking and chord melody arrangements * explanations of the elements that make up the blues * detailed instruction in improvising/playing blues solos * Ideas for writing your own blues songs For ukulele players who have learned the basics and are ready to take the next step. Starting with an easy-to-follow lesson on chord theory, it then covers several major areas of study, including grooves, the blues, playing melodies and chord-melodies, and jazz. Learn to improvise using pentatonic scales. Features: Examples in easy-to-read TAB and standard music notation ; Songs and solos to practice ; Special ukulele strums and other right-hand techniques, such as fingerstyle and picking ; Left-hand techniques, including hammer-ons, pull-offs, and slides ; Topics such as music theory, improvising, and how to practice ; Lessons on ukulele styles, including folk, Hawaiian, rock, blues, and more. Ukuleleakkorder vist i becifring, ukulelegreb, tabulatur og fotografier af fingersætning
