The Jewish study of Jesus has made enormous strides within the last two hundred years. Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed. Jesus has been "reclaimed" as a fellow Jew by many, although what this actually means remains a matter for discussion. Ironically, the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all: his resurrection from the dead. This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship. Doctoral Thesis / Dissertation from the year 2003 in the subject Theology - Comparative Religion Studies, grade: cum laude, Concordia University Montreal (Concordia Theologica Instiute; Neffs, Penns., USA), language: English, abstract: This paper sets out to examine the presence of Jesus Christ as presented in the Holy Quran. This is presented from the perspective of a twentieth century African Christian after an objective reading of the Holy Quran and some Hadith literature. Jesus comes through as a prophet and messenger of Allah, with whom Allah has established unique relationship and about whom the last word is not yet spoken. The Quran comes through as a great defender of what it reveals as the true nature and identity of Jesus, against different and conflicting misrepresentations of Jesus by rival Christian groups. The Quran presents a Jesus in whom Allah is greatly interested. Allah identifies and prepares Mary the mother of Jesus and entrusts her to the care of Zachariah. Allah gives a gift of a son to Zachariah in their old age; this son is John and called "Yahya" in the Quran. Allah then gives a Word from Himself to Mary. This word from Allah given to Mary becomes Jesus a son born of a virgin mother. Allah himself through the ministry of Angels and nature arranges for and takes care of Mary's confinement and post-delivery care till Allah presents her back to her people with her infant son Jesus who as an infant miraculously spoke in defense of his mother. The Quran presents a Jesus who delivers a message to the children of Israel only. A Jesus who performs miracles and a Jesus who is rescued by Allah from the threat of being crucified by the Jews Allah takes Jesus unto Himself and before the day of judgement Jesus will come to do the will of Allah. After reading all the references of

Jesus in the Quran, one develops an interest in this Prophet and Messenger of Allah and asks many questions about him. However, the Quran is silent. This silence of the Quran about so much historical information about Jesus becomes very loud and problematic. The quotations from the Holy Quran in this paper are from Ali, Abdullah Yusuf: *The Holy Quran: Arabic Text, Translation and Commentary*, University of New York Press, 1991. The purpose of this paper is:- 1. Trace Jesus in the Holy Quran 2. Compare and contrast the Jesus in the Quran and the Bible 3. Help Christian to understand Islam Religion and being able to answer the basic system of doctrine of a Muslim. 4. Have a picture of Jesus through the eyes of a Muslim and a Christian.

Includes a study guide ideal for personal or group use. According to the Roman Breviary, Saint John Eudes is the author of devotion to both the Sacred Heart of Jesus and the Immaculate Heart of Mary. His two works on these two devotions are classics. However, he is also a master to the spiritual life; an unknown master. Many are familiar with the works of Saint Bonaventure, Saint Alphonsus Ligouri and Saint Louis de Montfort to name just three of the masters of the spiritual life. And yet, Saint John Eudes has a lot to contribute. Let us consider this from Saint John Eudes in this excellent work: What truth can there be in the claim that we are Christians and adore a crucified God, a God agonizing and dying upon a Cross, a God who for love of us gives up so noble and excellent life, a God Who sacrifices Himself for us every day, before our eyes upon our altars for our salvation, if we are not ready to sacrifice to Him all that we hold dearest in the world, and even life itself, which in any case belongs to Him by all rights? Surely we are not Christians if we are not in these dispositions. Therefore I say, and this will immediately be clear to anyone who gives a little thought to the truths I have outlined, that all Christians ought to be martyrs, if not in actual fact, at least in intention and in will. So true is this, that if they are not martyrs of Jesus Christ, they will be martyrs of Satan. Choose whichever of the two you love more. If you live under the tyranny of sin, you will be a martyr to your self-love and your passions, and consequently a martyr to the devil. But if you desire to be a martyr of Jesus Christ, you must strive to live in the spirit of martyrdom. What is the spirit of martyrdom? It is a spirit that had five excellent attributes: 1.it is the spirit of strength and constancy which fears only God and sin, and cannot be shaken or overthrown, either by promises or threats, by persuasion or violence. 2.It is the spirit of deepest humility, which feels only horror for the vainglory and publicity of the world, and loves contempt and humiliations. 3.It is the spirit of self-mistrust and of most firm confidence in Jesus Christ our Lord, our Strength, in whom all things can be done. 4.If is the spirit of perfect detachment from the world and everything that is in the world. Those who are to sacrifice their lives to God must also sacrifice to Him all else besides. 5.It is the spirit of most burning love for our Lord Jesus Christ, who leads those animated by this spirit to do all and suffer all for love of Him, who dies and suffered all for them. It so inflames them that, for love of Him, they consider mortification and suffering to be a paradise of joys, to be sought and desired while they avoid and detest the pleasures of this world as much as they would hell itself. This is the spirit of martyrdom, . Implore, O Lord, who is the King of Martyrs, to fill you with this spirit. Pray to the Queen of martyrs, and all the martyrs, too, that they may obtain this spirit for you from the Son of God, by their holy prayers. Cultivate a particular devotion to the saintly martyrs. Make a point, also, of praying for all those who will

have to suffer martyrdom, in order that God may grant them the spirit and grace of martyrdom. Pray especially for those who will have to suffer the persecution of antichrist at the end of the world, for it will be the most cruel and horrible of all persecutions. Finally, strive to develop within yourself, by imitation, a perfect image of the lives of the holy martyrs and, what is more, the life of the King and the Queen of martyrs, Jesus and Mary, so that they may make you worthy to resemble them in death. Containing only the words of Jesus, *Christ Sutras* illuminates the deeper meaning of the sayings of Jesus found in the Bible, and also brings to light the secret sayings of Jesus found in twenty gospels that were left out of the New Testament. The words of Jesus found in these ancient, little-known gospels, including those discovered at Nag Hammadi in 1945, have been suppressed and hidden over the millennia, yet turn out to be the gospels that speak most directly to Jesus' invitation to follow me. Contained within these pages are some of the most profound pointers to Truth ever voiced. Never before have the sayings of Jesus been presented in such an intimate, immediate, and revelatory way. The temptations of Jesus cast a spell on readers young and old. These temptations are macabre yet triumphant, short yet endless, ominous and dismal yet sacred and hopeful. Scholars have long been obsessed with the attempted seduction of the Saint and the successful sanitation of the Seducer. Where else but from Q could such an enchanting narrative derive? This book reviews scholarship and examines tradition history to argue that the pericope is more than a wisdom-derived scribal legitimation of the Teacher, a popular (and partially correct) theory about the story's origin and function in Q. It is a theological summit ascribing a unique sonship to Jesus. With diabolic dialogue in such sacred sites as Zion, Sinai, and the desert, protology and eschatology brew to form a muse on both the wilderness testing of Israel and the primeval testing of Adam. The brief expedition through the cosmos - from desert to

empire to sanctuary - demonstrates a lordship of evil in the world, and thus a need for the reign of God and a context for Jesus' sonship, sermon, prayer, miracles, exorcisms, and even his death and resurrection. The tests present an approved champion (a Son of God), a conflict (a tryst with mortality and cosmic evil), and a conquest (resulting in an enthronement). These narratives, not supplied by Matthew and Luke, are found only in Q. ABOUT THE BOOK: Scripture says the seven miracles that the apostle John highlighted were intended as signs. The message they carried is proof that Jesus was who He said, the Son of God! And these miracles hold great relevance in our lives today. As Dr. Rogers said, "Their purpose is to deepen our trust in Him, not in the miracles themselves." They serve as signposts pointing to Jesus, showing that He was and is God's answer to your deepest need - to your disappointments, doubts, disabilities, desires, despair, darkness, and death. This book will change the way you view God and His work in our lives. \*\*\*\* ABOUT THE AUTHOR: For over fifty years, Adrian Rogers preached and championed the Word of God. In that time he became one of America's most respected Bible teachers presenting the Good News of Jesus Christ with strong conviction, compassion, and integrity. His ministry continues thanks to a rich legacy of sermons, studies, books, booklets, and other resource materials. Through Love Worth Finding, his multimedia ministry, tens of thousands of believers have had their faith strengthened and thousands more have entered into a personal relationship with Jesus Christ. His teaching will inspire you to grow in your love of the Lord and service in His kingdom. "And many other signs truly did Jesus in the presence of His disciples, which are not written in this book: But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through His name." John 20:30-31 I am my beloved's and my beloved is mine.... —from the Song of Songs Did you know that God loves you with a passion—and He wrote a love song to help you experience that love in a personal way? Tucked away in the pages of Scripture is one of the most fascinating and most misunderstood books of the Bible: the Song of Songs. Although the Song of Songs details a passionate, earthly love story, it is intended to illuminate the best love story, the intense love God has for us, His beloved. In *He Calls You Beautiful*, Bible teacher Dee Brestin explores this love song from God to reveal transformative truths for each of us, whether married, single, or widowed. With rich contemporary illustrations and insight from biblical scholars, Dee shows how God uses poetry and exquisite images to illuminate the intimacy that Jesus longs to have with you. God calls you to know His love not only in your head but also in your heart. He sings over you a song of love, a song of salvation, a song of hope. A Song of songs. Includes an in-depth Bible study for use individually or in a group setting. Back cover: Jonathon Lookadoo studies the high priestly and temple metaphors in Ignatius's letters and shows how Ignatius depicts Jesus and the church. He shows that Jesus functions as an intermediary between God the Father and the churches, which should be unified as God's temple. The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today for those who are able to make an inner connection with him. Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian doctrines. In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him—one of the most remarkable spiritual teachers of all time. Once

you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book. Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him. You will learn how to: -recognize the silent, inner voice of Christ in your heart -achieve permanent inner peace and happiness by getting connected with the Christ Consciousness -heal yourself from emotional wounds -get guidance from Jesus, who is your greatest teacher and friend -communicate directly with Jesus" A new 'life' of Jesus written by one of the outstanding scholars of his generation, it offers a complete resource on the 'Historical Jesus' debate. With an overview of the various positions taken on who the historical Jesus was, Casey provides a helpful and accessible tool for understanding how the historical Jesus has been received and understood, with attention paid to the contortions in evidence in the last century to prove that Jesus was not Jewish. Author Lisa Webb firmly believes the Word of God has the power to speak to your exact situation. You can read the same scripture a hundred times, and each time it can affect you in a different way, if you take the time to meditate on it. In *The Pink Parables*, she offers an adventure into God's word through a selection of Jesus' parables. Webb defines what a parable is, discusses the difference between parables and allegories, dives deeper into several of Jesus' parables, and shares how these teachings can be applied to living today. *The Pink Parables* encourages you to dig in and search the scriptures for the hidden treasures. Take the time to meditate, marinate, soak in the Word, and watch it speak to you. Jesus compared. *The Aquarian Gospel of Jesus the Christ* is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and their dominant positions in the sky, according to the earth's axial precession. In that system, the Age of Aquarius is approaching. Ó When a leading orthodox Jew makes such a declaration, its significance can hardly be overstated. Pinchas Lapide is a rabbi and theologian who has specialized in the study of the New Testament. In this book he convincingly shows that an irreducible minimum of experience underlies the New Testament account of the resurrection, however much of the details of the narrative may be open to objection. He maintains that life after death is part of the Jewish faith experience, and that it is Jesus' messiahship, not his resurrection, which marks the division between Christianity and Judaism. Dr. Lapide quotes Moses Maimonides, the greatest Jewish

thinker, in his support: All these matters which refer to Jesus of Nazareth...only served to make the way free for the King Messiah and to prepare the whole world for the worship of God with a united heart. Ó This study uses composition criticism to consider everything that Luke wrote about Jesus. Jesus was a human being and a prophet, yet Luke wished to say much more. He has a very extensive and developed portrayal of Jesus as a saviour. His roles as Servant of Yahweh and Son of Man play a real part in explaining a number of Jesus' experiences and actions, including his passion. Jesus' identification as the Christ can be associated with the being Son of God, but each of these identifications has its own nuances. Luke 1:35 proves crucial for a correct understanding of Son of God and guides the reader's comprehension of Jesus' identity. The OT background of Lord leads to a correct interpretation of this title when applied to Jesus, and Luke willingly predicates similar things of God and of Jesus. Jesus ignored human traditions and presented His listeners with God's truth. Discover some of the radical ideas He taught that defied conventional wisdom and customs then - and that continue to do so today. A provocative thesis that the historical Jesus was connected to the royal 18th dynasty of Egypt • Contends that Jesus, Joshua, and Tutankhamun were the same person • Provides evidence from church documentation, the Koran, the Talmud, and archaeology that the Messiah came more than a millennium before the first century C.E. • Shows that Christianity evolved from Essene teachings Although it is commonly believed that Jesus lived during the first century C.E., there is no concrete evidence to support this fact from the Roman and Jewish historians who would have been his contemporaries. The Gospel writers themselves were of a later generation, and many accounts recorded in the Old Testament and Talmudic commentary refer to the coming of the Messiah as an event that had already occurred. Using the evidence available from archaeology, the Dead Sea Scrolls, the Koran, the Talmud, and biblical sources, Ahmed Osman provides a compelling case that both Jesus and Joshua were one and the same--a belief echoed by the early Church Fathers--and that this person was likewise the pharaoh Tutankhamun, who ruled Egypt between 1361 and 1352 B.C.E. and was regarded as the spiritual son of God. Osman contends that the Essene Christians--who followed Jesus' teachings in secret after his murder--only came into the open following the execution of their prophet John the Baptist by Herod, many centuries later. Yet it was also the Essenes who, following the death of Tutankhamun and his father Akhenaten (Moses), secretly kept the monotheistic religion of Egypt alive. The Essenes believed themselves to be the people of the New Covenant established between their Lord and themselves by the Teacher of Righteousness, who was murdered by a wicked priest. The Dead Sea Scrolls support Osman's contention that this Teacher of Righteousness was in fact Jesus. A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code. Two veteran missionaries write forty creative and empowering chapters on what it truly means to share Jesus with passion and confidence both locally and worldwide. How did the words of Jesus influence the writing of 1 Peter? That is the question that is at the heart of this study. Of course, the answer is complicated by the fact that 1 Peter nowhere directly references the words of Jesus. Nevertheless, the impact of his words are evident throughout the letter. The first third of the book lays the foundation for answering the question by giving clear and concise criteria for identifying places where 1 Peter uses the words of Jesus. The rest of the book walks through the text of 1 Peter section by section, submitting each potential echo of Jesus's words to the criteria previously developed. The book concludes by considering how the words of Jesus influenced the themes and content of the letter. In the tradition of such beloved spiritual teachers as Francis MacNutt and Michael Scanlan, *Be Healed: A Guide to Encountering the Powerful Love of Jesus in Your Life* offers in book form Bob Schuchts's popular program for spiritual, emotional, and physical healing through the power of the Holy Spirit and the sacraments. This renowned program for spiritual restoration is steeped in scripture and the wisdom of the Catholic Church. Deeply intimate and vulnerable about his own journey of healing, Catholic therapist Bob Schuchts connects with his readers by sharing the series of betrayals he endured in high school--his father's infidelity, his parents' divorce, and his older brother's drug addiction--and his subsequent seasons of struggle with God and faith. *Be Healed* is based on the program first used in dioceses across the United States to form the hearts and minds of Catholic clergy. Schuchts's trusted process for finding inner peace and healing is now expanded to serve the entire body of Christ, helping people recognize their brokenness and find hope in the risen Christ. "In *Be Healed*, Bob Schuchts takes the reader into the life of a changed man, sharing the story of how he received spiritual, psychological, and emotional healing. Our world, filled with brokenness and suffering, needs to experience the truth of Christ's healing power! Reading this book will begin that encounter with Jesus." Most Reverend Samuel J. Aquila Archbishop of Denver "Be Healed invites the faithful Christian, the newest convert, and the curious reader to consider a new journey with the Lord. With honesty, compassion, and years of experience to aid him, Bob Schuchts brings hope and freedom to confused and fearful hearts. Through personal stories and the Gospel message, he invites us to journey past familiar symptoms into the deeper roots of our wounds. Where we expect the pain of what is known and the fear of the unknown, we find Christ offering healing and wholeness. *Be Healed* is a unique gift to the Church." Brian Butler Author of *Theology of the Body for Teens* "Be Healed is an invitation to encounter the Lord as your healer. Bob Schuchts writes with humility and compassion, imparting wisdom gained from a lifetime of discovery of what it means to be whole in Christ and how to invite others to receive God's healing presence. *Be Healed* will impart wisdom through real life stories, personal journey, and penetrating scriptural stories, all in an authentic Catholic context. *Be Healed* will open doors for you to look at life from the view of the Lord's passion to see you liberated from those things that hold you back from being the person you were created to be." Neal Lozano Author of *Unbound: A Practical Guide to Deliverance* "If you have struggled with physical and emotional issues, this book is for you. *Be Healed* will build hope and expectation that you can receive your healing. It takes a balanced approach to healing in Christ for the whole person and how you can

live life to the fullest. Gary Oates Author of *Open My Eyes, Lord* "This book deeply touched my heart and opened new levels of healing in my life. Whether you are just beginning your healing journey or have been walking this path for years, *Be Healed* will encourage, enlighten, challenge, and transform you in your encounter with Jesus Christ. I highly recommend it." Sr. Miriam James Heidland, S.O.L.T. Author of *Loved as I Am* "Be Healed will bring you into a deeper encounter with the Trinity and a new openness and freedom in every area of your life." From the foreword by Fr. Mark Toups Director, Institute for Priestly Formation and Vocations Houma-Thibodaux Diocese "Who do you say that I am" (Mark 8:29) is the question of Christology. By asking this question, Jesus invites his followers to interpret him from within their own contexts—history, experience, and social location. Therefore, all responses to Jesus's invitation are contextual. But for too long, many theologians particularly in the West have continued to see Christology as a universal endeavor that is devoid of any contextual influences. This understanding of Christology undermines Jesus's expectations from us to imagine and appropriate him from within our own contexts. In *Re-imagining African Christologies*, Victor I. Ezigbo presents a constructive exposition of the unique ways that many African theologians and lay Christians from various church denominations have interpreted and appropriated Jesus Christ in their own contexts. He also articulates the constructive contributions that these African Christologies can make to the development of Christological discourse in non-African Christian communities. Building on the rich spiritual tradition that spans the diversity of history and theology from Ignatius Loyola to John Wesley to Jonathan Edwards, Gordon T. Smith helps open your ears and heart to the depths of the inner witness of the Spirit. By learning to attend to the Spirit, Smith urges, you will learn to hear and heed the voice of Jesus in everyday life.

Controversial since it was first published in 1890, Nicolas Notovitch's *The Unknown Life of Jesus* relates that Jesus Christ spent at least part of the years of his life unaccounted for in the Bible?from the age of 13 to 29?teaching and studying in India and other parts of Asia. Notovitch was on an "extended journey through the Orient...to study the customs and habits of the inhabitants of India." During his travels, he visited a Buddhist monastery near Mulbek, close to the Wakha River. Here a Lama told him that Jesus, whom the Buddhists called "Issa," had visited the region and that there were ancient manuscripts documenting Jesus' visit and that copies existed at other monasteries. Notovitch was able to convince the monks at the Hemis Monastery to read from these documents and, as an interpreter translated, Notovitch transcribed. The religion founded by Mohammad gives primacy to the patriarchs Abraham, Isaac, Jacob and Moses, and, although it may be a surprise to many Christians, considers Jesus one of the prominent religious figures of Islam. *The Islamic Jesus* is a book for all those who are interested in Christology, in which Daniel Deleanu brings together both canonical and traditional Islamic texts, adding a new facet to the image of Jesus in this often misunderstood religion. Deleanu shows that there are substantial discrepancies between the canonical and the apocryphal portraits of Jesus in Islam. Alongside the authoritative Koranic stories of Jesus, this anthology presents traditional accounts from the Hadith and other less known sources, whom Daniel Deleanu has collected and co-translated to produce a genuine Islamic gospel. When was Christianity born? When was it that Christianity, born as a particular current within Judaism, constituted itself as a religion different and separate from the Jewish religion? The question has been asked, and the problem has therefore been considered, since the historical-critical investigation of Christian origins began. However the problem has become acute only in the last few decades, because of the occurrence of a whole series of circumstances and of reflections that have deeply changed the historiographic understanding regarding Judaism in the first century, and thus the origins of Christianity as well. Traditional opinion considered the founders of Christianity to be Jesus of Nazareth and Paul of Tarsus. Recent studies however affirm that a Christian religion as distinct

from the Jewish religion can be spoken of only much later, and that for the entire first century, and for at least a part of the second century, Christianity was nothing more than a sect within Judaism. Dealing with the problem from an historical point of view, and thus considering not only Christianity of Jewish origin but also that of gentile origin, Giorgio Jossa demonstrates that the birth of a Christian identity as distinct from Jewish identity must actually be dated back to the first period of life of the community of Jesus. A collection of scripturally based short stories of the friends of Jesus: Simon, Martha, Jairus, Mary Magdalene, Peter and John. Son of God: The Life of Jesus in You is a DVD small group study based on producers Mark Burnett and Roma Downey's major theatrical release, Son of God and featuring New York Times bestselling author Pastor Rick Warren explaining how you can find your purpose in studying the life of Jesus.
