2021 This comprehensive yet concise annual  
annotated reference source catalogs the  
important series, periodicals and reference tools  
published by U.S. government agencies. Over

the years, the index section of the Guide to U.S. Government Publications has expanded to more than 40,000 entries. Agencies and titles are indexed, followed by a keyword title index for quick and easy referencing. No other single resource provides historical and current information on U.S. government publications in one place.
