The world's best-selling grammar series for learners of English. A Communicative Grammar of English employs a communicative rather than a structural approach to the learning of

English grammar. This edition is divided into three parts: Part One: A guide to the use of this book - looks at the way English grammar varies in different types of English, for example 'formal' and 'informal', 'spoken' and 'written'. Part Two: Grammar in use - the central and largest part of the book, presents grammar through the eyes of the communicator and focuses on the uses of grammar rather than on grammatical structure. Part Three: A-Z in English grammar - provides a useful and alphabetically arranged guide to English grammar. This new edition includes more real examples taken from corpus data. Increased emphasis is given to grammar in spoken language, providing a better balance between written and spoken English. Explanations and examples have been made simpler in order to make the grammar more accessible to students. "English Linguistics" is a compact and easy-to-use introduction to English linguistics which - is tailored to the needs of students of English at German, Austrian and Swiss universities, - contains graded exercises to motivate students to carry out independent research, and - bridges the gap between linguistics and the literary and cultural-studies components of the typical BA in English Studies. Bachelor-wissen "English Linguistics" goes beyond the usual introduction in offering accompanying web resources which provide additional material and multi-media illustration. Basics of Biblical Hebrew Grammar is the standard textbook for beginning Hebrew language students in colleges and seminaries. It offers a clear, understandable, and integrated approach to learning Biblical Hebrew. The third edition is significantly updated and revised to provide students with the best possible tool for learning Biblical Hebrew.
